PUBLIC SERVICES ANNOUNCEMENT

After the April 14, 2014 Globe City Council meeting it was decided that due to structural problems with the Community Center Pool, the City will not be able to open the pool this summer.

The City will be aggressively pursuing partners and funding sources to resolve the pool issues with fixes to the existing pool or a new pool.

If you would like to be part of the team that will bring a pool back to the community please contact the City of Globe's Development Services Director, Chris Collopy at ccollopy@globeaz.gov. A kick off meeting will be scheduled in the next 10 days.
