from the
Globe City Council

Horizon Health and Wellness was awarded the rural Safe Home Network Grant in 1998, aiding victims of domestic violence and sexual assault. For many years the Horizon Health and Wellness Domestic Violence Safe Home has relied on the Arizona Department of Health Services (ADHS-Rural Safe Home Network) and the Arizona Department of Economic Security (DES) grants and donation to operate the Horizon Domestic Violence Safe Home, unfortunately these grants are no longer funding our Rural Domestic Violence Program located in Gila County. For more information on how you can help, please call Carolyn Gillis at 928/812-2521.
