

Let's Support Wayne Blake!

Globe/Miami resident, Wayne Blake, is in need of a marrow transplant to battle his Lymphoma. We are asking the community to come out and support Wayne, and the many others, searching for a transplant by joining the marrow registry or by making a donation of any size.

Registry members from diverse racial and ethnic backgrounds are especially needed!

Registration is a 10 minute process. With a simple cheek swab, you can be part of our life-saving effort. If you match a patient, the most common way to donate is through a non-surgical process.
